ExpressCard Media Remote for Bluetooth

Relax and enjoy the rich multi-media functions in your Bluetooth equipped laptop with this full featured media remote control. Play music, watch DVDs, or flip through photos without leaving the couch. It even controls PowerPoint from up to 30 feet away. When you're done, slip it back in the ExpressCard slot to store and recharge. Best of all, storing the remote in the ExpressCard slot means it's always right where you need it next: at home, in the office or on the road.
